

Pastor Rod Johnson in the Philippines

Many of the staff and students, both past and present are involved in many aspects of ministry in the Apostolic Lutheran Church of America. While serving in individual congregations, they are also involved in development of Sunday school curriculum for the ALCA, serving on ALCA mission boards and serving in the foreign mission field. In addition, some seminarians have been involved in Christian retreats, seminars, Bible camps and youth rallies.

The work of the Inter-Lutheran Seminary is not possible without the prayers and financial support of many people like you. Many individuals and churches support this institution on a regular basis. Some have generously included the Seminary in their estate planning as well.

Seminary Sanctuary

We need your help. First, we ask that you keep us in your prayers as we continue to teach the Word of God. Secondly, if you have been blessed by God through the ministry of the Inter-Lutheran Seminary, please consider helping us financially as well. Monthly givers are essential in meeting the ongoing financial needs of this institution. We appreciate the financial support that many of you have given in the past, and we pray that the Lord will allow you to continue doing so. Thank you and may God richly bless you!

# Our Mission

**All scripture *is* given by inspiration of God, and *is* profitable for doctrine, for reproof, for correction, for instruction in righteousness that the man of God may be perfect, thoroughly furnished unto all good works.**

These words found in 2 Timothy 3:16-17 illustrate the mission of the Inter-Lutheran Seminary. We are dedicated to the idea that the proper understanding of all things relating to God begins and ends with the revelation of Himself that He made known in His Son Jesus by the power of the Holy Spirit in His Word; the Holy Bible. As Paul says, the writings that make up this marvelous book are the basis of proper teaching, pointing out error, correcting error and educating in the right way. The result of this encounter with the Holy Writ is that the person who belongs to God is made complete, fully equipped to do those things that God wants done to minister to the world and to edify the body of His Son.

Seminary Classroom

The Lord has blessed us with some different avenues for carrying out this work. We have a beautiful campus located in Hancock MI, which provides our students with modern classroom facilities, chapel, library and study areas that those students in residence here have benefitted greatly from.

Seminary Library

We also are able to provide some classes remotely in different communities. Each Monday evening a class, open to the public, is taught at the Seminary as part of Zion Lutheran Church's Bible study.

Monday Night class in Hancock

On Thursdays in the fall semester, there is a class taught at the Eastwood Church in Negaunee, MI. An intensive one-week course is available at the Hope Fellowship church in New Ipswich, NH. Online courses are also available for those with internet capability and many people have availed themselves of that opportunity. In addition, for those who prefer to take classes by DVD, we record our class sessions and make them available by that means.
